JAY TARRANT

SKILLS

- Adobe Photoshop
- Blender
- Unreal Engine
- Conceptual Art
- Illustration

EDUCATION

Wimbledon College of Arts, UAL – *Production Arts for Screen*

SEPTEMBER 2022 – PRESENT, LONDON

Multidisciplinary based learning, working with a variety of 2D and 3D programs, Adobe Suite, Blender, Unreal Engine. Studying both Art Direction and VFX.

EXPERIENCE

RATP Dev, Twickenham – *Assistant to Graphic Designer*

MARCH 2019

- Shadowing the Senior Graphic Designer at RATDev, I got to experience Adobe Illustrator and InDesign for the first time, learning from him about poster design and website design.

Unclear Magazine – *Freelance Illustrator*

FREELANCE BASIS APRIL 2019 – SEPTEMBER 2019

- Working alongside an up and coming magazine company, Unclear Magazine. At the time, sitting at just under 7K followers on Instagram. I created a variety of illustrations for their website and printed magazines which were used in union with other freelance artists' work.

SCC, Selsey – *Freelance Graphic Designer*

FREELANCE BASIS AUGUST 2020 – FEBRUARY 2022

- Closely working with the General Manager of a private club on the South Coast of England. I spent this time updating and modernizing a variety of their promotional and professional material, such as letterheads, logos, posters and much more.
